Art Walk Loop #2
Walking Directions

Begin the tour by walking down the Brush Creek Trail under the Brush Creek Bridge where you'll find ***May Fly (#1).***

Using the same trail, backtrack to Yarrow Park to find L***ady with Diamonds (#2)*** at the entrance to the park (the driveway off Owl Creek Road). Continue down the Brush Creek Trail towards the stream. Cross the bridge over the stream and find ***The Leaners (#3)*** on the left-hand side of the trail. Continue down the trail and find steps that lead to the Snowmass Chapel. Walk through the Chapel complex to the north side of the Chapel to see the beautiful ***John Denver Memorial Garden (#4).***

Walk back through the Chapel grounds to the parking lot and towards the Fire Station. In the back of the Fire Station, you'll see ***Memorial Flames (#6)***. In front of the Fire Station (the Owl Creek side), you'll find ***Big Chief (#5)***. The Firemen will welcome visitors into the Station to see sculptures ***(#7-8)*** and paintings ***(#10-11)***.

After leaving the Fire Station, head over to ***Anderson Ranch (#12)*** to view outdoor art installations, and possibly see artists at work in the many workshops.

For the adventuresome, stroll down Owl Creek Trail 0.4 mile along the golf course. Cross Owl Creek at the pedestrian crossing and arrive at Cathy Robinson Park where ***Orchids in the Wind (#13)*** and the ***Moose (#14)*** sculptures are located.

Note: For those who choose not to walk the Owl Creek Trail, Cathy Robinson Park, where the Little Red School House is located, has limited free parking.
