Art Walk Loop #1
Walking Directions

Begin walking the Mall to view a variety of murals and art installations. ***Waiting to be Discovered (#1)*** is a mural located within a pedestrian tunnel near Gene Taylor's Sports. Close by, find the statue ***Standing Bear (#2)*** near the restaurant Napoli Grill.

Walking further down the Mall, you'll see the mural ***Snowmastodon (#3)*** painted on the Tower outside of Four Mountain Sports. Continue walking towards the ski resort to find, ***Snowmass Chair (#4)***, near the stream in front of Gorsuch.

Take the stairs (located just after Gorsuch) down to the Village Shuttle pickup lot on Daly Lane to admire, ***Snowmass Landscape (#5)***. Back up the stairs, find the steps leading up to il Poggio Restaurant and the Tavern Kitchen and Bar on Elbert Lane you'll delight in seeing ***Family is Everything (#7)***. As you make your way back to the Mall and walk past the Venga Venga Restaurant, do not miss the mural ***Colorado Seasons (#6).***

To complete the loop, ride the SkyCab Gondola ("The Skittles") to Base Village. In Base Village, begin by walking to the Treehouse. Sitting outside the Treehouse exit door is ***Out on a Limb (#8).*** Proceed down the steps next to Hayden Lodge/Treehouse to the other side of the Treehouse, to find ***Mama and Baby Bear (#9)***.

Walk through Base Village towards the Elk Camp Gondola. Just past the Gondola, take a right towards the ski mountain. In front of the ski storage building look up to find ***Wild West (#10).***

Head to the Ice Rink outside The Collective. In front of the children's splash area, find ***Cara Dunne-Yates Sculpture (#11)***. Nearby are two ***Arbor Pods (#12)***, one near the back of The Collective and one near Sundae Ice Cream Shop. To see the two final pieces, enter the Transportation Center by using the doors next to the Eye Pieces. On the stairway down to the Transportation Center, find ***Bison Latifrons Skull (#13)*** and on the escalator down find mural ***Bison Latifrons Body (#14).***
